§ 246.6

GAAP for any regulatory purpose (including compliance with applicable securities laws), the company may request that the Board permit the company to file a quarterly estimate of its total consolidated assets. The Board may, in its discretion and subject to Board review and adjustment, permit the company to provide estimated total consolidated assets on a quarterly basis. The company's total assessable assets will be the average of the estimated total consolidated assets provided for the assessment period.

(4) *Nonbank financial companies supervised by the Board.* For a nonbank financial company supervised by the Board, if the company is a U.S. company, this amount will be the average of the nonbank financial company's total consolidated assets as reported for the assessment period on such regulatory or other reports as are applicable to the nonbank financial company determined by the Board; if the company is a foreign company, this amount will be the average of the nonbank financial company's total combined assets of U.S. operations, net of intercompany balances and transactions between U.S. domiciled affiliates, branches and agencies, as reported for the assessment period on such regulatory or other reports as determined by the Board as applicable to the nonbank financial company.

§ 246.5 Notice of assessment and appeal.

(a) *Notice of Assessment.* The Board shall issue a notice of assessment to each assessed company no later than June 30 of each calendar year following the assessment period, provided, however, that for the 2012 assessment period, the Board shall issue a notice of assessment as soon as reasonably practical after publication of the final rule in the FEDERAL REGISTER.

(b) *Appeal period.* (1) Each assessed company will have thirty calendar days from June 30, or, for the 2012 assessment period, thirty calendar days from the Board's issuance of a notice of assessment for that assessment period, to submit a written statement to appeal the Board's determination:

(i) That the company is an assessed company; or

(ii) Of the company's total assessable assets.

(2) The Board will respond with the results of its consideration to an assessed company that has submitted a written appeal within 15 calendar days from the end of the appeal period in paragraph (b)(1) of this section.

§ 246.6 Collection of assessments; payment of interest.

(a) *Collection date.* Each assessed company shall remit to the Federal Reserve the amount of its assessment using the Fedwire Funds Service by September 15 of the calendar year following the assessment period, or, for the 2012 assessment period, by a date specified in the notice of assessment for that assessment period.

(b) *Payment of interest.* (1) If the Board does not receive the total amount of an assessed company's assessment by the collection date for any reason not attributable to the Board, the assessment will be delinquent and the assessed company shall pay to the Board interest on any sum owed to the Board according to this rule (delinquent payments).

(2) Interest on delinquent payments will be assessed beginning on the first calendar day after the collection date, and on each calendar day thereafter up to and including the day payment is received. Interest will be simple interest, calculated for each day payment is delinquent by multiplying the daily equivalent of the applicable interest rate by the amount delinquent. The rate of interest will be the United States Treasury Department's current value of funds rate (the "CVFR percentage"); issued under the Treasury Fiscal Requirements Manual and published quarterly in the FEDERAL REGISTER. Each delinquent payment will be charged interest based on the CVFR percentage applicable to the quarter in which all or part of the assessment goes unpaid.
